

IHM-St. Casimir Catholic School

2015-2018 Strategic Plan

<p>Beliefs</p>	<p>Immaculate Heart of Mary-St. Casimir School strives to provide a distinctively Catholic Christian education environment by creating an atmosphere in which self-dignity mutual respect, cooperation, prayer and service are an integral part of daily life.</p> <p>With Christ as its foundation, the entire educational process is built on academic excellence, experienced in the light of the Gospel and strengthened by a strong Catholic community of believers.</p> <p>As uniquely created individuals, students are challenged to discover the fullness of God's gifts and grace in each one's life, intellectually, spiritually, physically and socially. As students work to meet this challenge, the school supports and continues the nurturing influence of parents and parish community.</p> <p>The effect of this philosophy on students is the building of faith: faith which comes from and leads toward the discovery of the entire human experience; faith which is consciously formed, deliberately nourished, and visibly lived within the larger society.</p> <p>Through the experience of Immaculate Heart of Mary-St. Casimir School, it is the hope that each student develop and recognize that they are a child of God, a participating member of a Catholic Community, and over all, a member of Christ's Body, the Church.</p>																										
<p>Vision</p>	<p>We envision a school in which students, staff and families are perpetually working together to grow in virtue as disciples of Jesus Christ. Our curriculum advocates for the whole child, through strong Christ-centered catechesis, and a rigorous academic program. A variety of financial resources make Catholic School Education affordable and accessible for participating families.</p>																										
<p>Mission</p>	<p>IHM-St. Casimir School challenges students to discover God's gifts spiritually, intellectually, socially and physically within a community that nurtures, honors and respects the unique person.</p>
