\*\*\*As per Michigan Safe Start Plan Regulations during Stage 4: Improving, In School Learning students in K-5 will be required to wear a mask at school. Students will be provided one mask by the school. Students will need to wear a clean mask to school each day and have another in their possession, so may purchase additional masks (homemade, surgical style or neck gaiter style). Students will need to be able to correctly position masks themselves, so consider their proficiency when you choose a style. Please label all masks with name.
